

POLICIES AND PROCEDURES

The policies, procedures and standards of the University of North Carolina at Chapel Hill (<https://www.unc.edu/>) are maintained by the University (<https://universitypolicy.unc.edu/>) Policy Office with the exception of academic policies governed by University faculty via The Faculty Code of University Government. Many of the University policies relevant to students are referenced in this catalog and linked to the policy repository containing the most recent version of official policies. Academic policies related to the education activities of the University and the awarding of degrees are found throughout the catalog. The academic policies and procedures in this section include information about course credit; registration and enrollment; attendance, grading, and examination; academic standing; and degree conferral and transcripts.

Regulations and Requirements for Undergraduate Students

Students are responsible for observing the procedures, regulations, and requirements of the University as they are set forth here and in other official University publications. This section describes many of the requirements and regulations that apply to undergraduates, but it is not a complete list of all such regulations and requirements. Unless otherwise stated, the regulations described in this section will govern the academic progress of students from their first year in the General College through their final semester in the College of Arts and Sciences or one of the undergraduate professional schools. The staff of the University will gladly provide students with detailed information concerning their academic program or academic problems, but this does not relieve any student of individual responsibility for meeting the University's requirements and observing University regulations.

Regulations and Requirements for Graduate Students

The *Graduate School Handbook* contains most of the policies and procedures of The Graduate School at the University of North Carolina at Chapel Hill. Students should become familiar with the material pertaining to their degree programs, and, together with their faculty advisors, make certain that the chosen program of study complies with all policies.

If University policies change during the academic year, those changes will appear here.
