NORTH CAROLINA FELLOWS PROGRAM

The N.C. Fellows Program is a three-year cohort-based leadership program that has been present on the UNC-Chapel Hill campus since 1968. The program seeks to reimagine traditional understandings of leadership by engaging in meaningful dialogue, creating a supportive community, increasing self-awareness among its members, and encouraging positive change. Program elements include a new member retreat, an annual all-Fellows retreat, a three-credit-hour course for sophomore students, a one-credit capstone course for senior students, and monthly seminars throughout the experience. Interested students can apply during the spring semester of their first year.
