Anna Agbe-Davies, Director of Undergraduate Studies
agbe-davies@unc.edu

Anthropology is the integrative study of human beings at all times and in all places. Anthropological expertise has special application for hidden histories and the ancient past; the intersection of human biology and ecology; and the way communities create and use meaning, values, and history in everyday life. We support studies, research, and professional applications in these areas with three programs of foundational training: archaeology; human biology, ecology, and evolution; and sociocultural anthropology.

Department Programs

Major

• Anthropology Major, B.A. (http://catalog.unc.edu/undergraduate/programs-study/anthropology-major-ba)

Minors

• General Anthropology Minor (p. 1)

Graduate Programs

• Ph.D. in Anthropology (http://catalog.unc.edu/graduate/schools-departments/anthropology)
