Classics is the study of the ancient Greek and Roman world; the Greek and Latin languages and literature; and the history, art, and culture that have been fundamental in shaping modern society. The Latin minor is a less intensive version of the Latin concentration in the major, and requires only four courses in Latin beyond the fourth semester. It is a useful option for students who have studied Latin in high school and would like to continue for their own enjoyment, as well as for students with a particular interest in medieval or early modern studies.
