Students majoring in another department may elect to pursue a minor in studio art. The minor consists of five courses at different levels. Students minoring in studio art may choose from a broad selection of courses including drawing, painting, ceramics, sculpture, printmaking, digital media, special topics, mixed media, and photography. Art history majors may not pursue a studio art minor. Students interested in pursuing study in both programmatic areas of the department may wish to consider the Bachelor of Fine Arts (B.F.A.) with Art History Emphasis degree.
