

SCHOOL OF CIVIC LIFE AND LEADERSHIP

The School of Civic Life and Leadership (SCiLL) provides an interdisciplinary home specifically for the study and practice of public discourse, civic life, and civic leadership. SCiLL provides students a grounding in the foundations and current state of American political experience and democracy. A wide range of courses build on this foundation to encourage thoughtful engagement with democracy and civility through a variety of disciplines. Students gain important skills for civil discourse on difficult issues, as well as increased scientific literacy. SCiLL hosts, supports and researches difficult and important conversations for the benefit of the campus, community, and broader public.
