

# HIGH-IMPACT EXPERIENCE

High-Impact Experience (HI) is a required Reflection and Integration course in the IDEAs in Action curriculum (<http://catalog.unc.edu/undergraduate/ideas-in-action/>). There are several types of high-impact experience opportunities at Carolina.

In addition to the approved courses and experiences listed below, this requirement may also be fulfilled by taking a second Research and Discovery (<http://catalog.unc.edu/undergraduate/ideas-in-action/research-discovery/>) course.

## Study Abroad

All UNC–Chapel Hill approved study abroad programs fulfill the High-Impact Experience requirement. Program information can be found at the Study Abroad Office (<https://studyabroad.unc.edu/>).

## Collaborative Online International Learning (HI-COIL)

COIL courses involve shared learning between students in a course at UNC–Chapel Hill and peer students at a global partner university. Faculty members at both institutions design collaborative activities for their students lasting at least three weeks, such as completing small group projects, engaging in dialogue drawing on their different societal or disciplinary perspectives, or exchanging scholarly or creative work.

Search for COIL courses at the section level in ConnectCarolina using the "Search by Class Attribute" feature.

More information is available at UNC Global (<https://global.unc.edu/programs/connecting-carolina-classrooms-with-the-world/coil/>).
