

COACHING EDUCATION MINOR

Coaching education minors have the opportunity to gain both theoretical and practical knowledge regarding psychological, physiological, pedagogical, philosophical, and management aspects of coaching.

The Department of Exercise and Sport Science has paused enrollment in the coaching education minor and plans to teach out all students currently enrolled in the minor who would like to finish the program during the fall 2024 semester. The department is no longer accepting applications for the minor.

Requirements for the coaching education minor can be found in the Undergraduate Catalog archives (<https://catalog.unc.edu/archives/>).
