Three mathematics courses numbered above 500, all with a grade of C (not C-) or better $^2$

Honors version available. An honors course fulfills the same requirements as the nonhonors version of that course. Enrollment and GPA restrictions may apply.

$^1$ A current or former major in statistics and analytics (mathematical decisions sciences) may substitute STOR 215 for MATH 381.

$^2$ For this requirement, taking the three lab courses MATH 383L + MATH 528L + MATH 529L counts as one 500-level course.
