

MUSIC MAJOR, BACHELOR OF MUSIC (B.MUS.)

The Bachelor of Music program is designed for those seeking a degree that offers a more extensive component in performance, history, ethnomusicology, theory, composition, or music education. Students must complete 64 credit hours in music and at least 54 credit hours outside the major.

Student Learning Outcomes

Upon completion of the music program (B.Mus.), students should be able to:

- Acquire sufficient technical capabilities to be able to perform expressively — on an instrument or the voice — appropriate repertoire for the area in which they are studying
- Show proficiency in the materials and language of music for purposes of analysis and evaluation
- Be aware of the connection between general culture and history and the musical works that come from composers of particular times and places
- Demonstrate the ability to perform successfully in individual, small-, and large-ensemble performance and have a working familiarity with repertoire for solo or ensemble performance

Requirements

In addition to the program requirements, students must

- earn a minimum final cumulative GPA of 2.000
- complete a minimum of 45 academic credit hours earned from UNC–Chapel Hill courses
- take at least half of their major core requirements (courses and credit hours) at UNC–Chapel Hill
- earn a minimum cumulative GPA of 2.000 in the major core requirements. Some programs may require higher standards for major or specific courses.

For more information, please consult the degree requirements section of the catalog (<http://catalog.unc.edu/undergraduate/degree-requirements/>).

Courses listed more than once can be counted for only one category.

^F FY-Launch class sections may be available. A FY-Launch section fulfills the same requirements as a standard section of that course, but also fulfills the FY-SEMINAR/FY-LAUNCH First-Year Foundations requirement. Students can search for FY-Launch sections in ConnectCarolina using the FY-LAUNCH attribute.

¹ Students may petition the director of undergraduate studies to count toward this requirement no more than two hours of MUSC 100–MUSC 107. Students wishing to take a seventh semester of individual lessons may use an additional two hours of MUSC 200–MUSC 207 for elective credit.

³ With the approval of the director of undergraduate studies.

Students pursuing the B.Mus. must complete at least 64 credit hours in music, which is combined with an additional 56 credit hours for a total of 120 credit hours. Students may receive no more than 66 credit hours in music and must complete a minimum of 54 credit hours of coursework outside music, including all General Education requirements.

Students who wish to gain certification to teach music in public schools may take a prescribed course of study as part of the bachelor of music degree and apply to the music education licensure program offered through the School of Education. Admission to the music education licensure program requires a separate application to the School of Education (usually submitted during the spring of the first year), and candidates must meet North Carolina Department of Public Instruction licensure standards and be able to complete the course of study prior to spring of their senior year. Students who complete the program are eligible for North Carolina initial-level licensure.

Optional Pathways within the Bachelor of Music Degree

Students working toward the bachelor of music degree have the option to pursue one or more pathways in their musical studies. These pathways identify recommended course selections for students who have interests in one or more areas. We suggest 12 credit hours of study; students are free to take additional credits. Some of these courses also satisfy core requirements. Please note that enrollment in individual lessons (MUSC 100–MUSC 107 and MUSC 200–MUSC 207) requires an audition.

Sample plans can be used as a guide to identify the courses required to complete the major and other requirements needed for degree completion within the expected eight semesters. The actual degree plan may differ depending on the course of study selected (second major, minor, etc.). Students should meet with their academic advisor to create a degree plan that is specific and unique to their interests. The sample plans represented in this catalog are intended for first-year students entering UNC–Chapel Hill in the fall term. Some courses may not be offered every term.
